Poem of the Week

by Jalaluddin Rumi (1207-1273)

If you knew yourself for even one moment,

if you could just glimpse your most beautiful face,

maybe you wouldn't slumber so deeply in that house of clay.

Why not move into your house of joy and shine into every
crevice!

For you are the secret Treasure-bearer, and always have been.

Didn't you know?

Sacred Heart of Jesus

On June 1st, 2008, Pope Benedict XVI said: "I am pleased to recall that this month is traditionally dedicated to the heart of Christ, symbol of the Christian faith, particularly dear to the people, to mystics and theologians because it expresses in a simple and authentic way the 'good news' of love."

He continued: "Every one of us, when she/he pauses in silence, needs to feel not only her/his own heartbeat but deeper still, the beating of a trustworthy presence, perceptible with faith's senses and yet much more real: the presence of Christ, the heart of the world."
