THE WORLD

by Jalal al-din Rumi (1207-1273)

Translated by Fatemeh Keshavarz

The world is a mountain
Whatever you say, good or bad, it will echo it
back to you

Don't say I sang nicely and mountain echoed
an ugly voice...

That is not possible

The human intellect is a place where hesitation
and uncertainty take root

There is no way to overcome this hesitation...
except by falling in love

To reach the sea and be happy with a jug of
water is a waste

The sea that has pearls...

And a hundred thousand other precious things.

Jokes

Why is it annoying to eat next to basketball players? They dribble all the time.

Did you hear about the restaurant on the moon? Great food but no atmosphere.

Why wouldn't the Teddy bear eat anything? He was already stuffed.
