## Sunrise (Mary Oliver)

You can die for it— an idea, or the world. People have done so, brilliantly, letting their small bodies be bound to the stake, creating an unforgettable fury of light. But this morning, climbing the familiar hills in the familiar fabric of dawn, I thought of China, and India and Europe, and I thought how the sun blazes for everyone just so joyfully as it rises under the lashes of my own eyes, and I thought I am so many!

What is my name?

What is the name of the deep breath I would take over and over for all of us? Call it whatever you want, it is happiness, it is another one of the ways to enter fire.

There will be an evening Mass this Friday the Feast of the Sacred Heart at 7.30pm.

We extend our sympathy to the family of the late Paulette Jones of Killinarden Estate whose funeral will take place on Tuesday. May Paulette rest in peace.

Jokes

Why can't you write with a broken pencil? Because it's pointless.

Why did the scarecrow win an award? Because it was outstanding in its field.

Why can't a bike stand up for itself? Because it's too tyred.
