## I AM THE GOOD SHEPHERD

by Malcolm Guite

When so much shepherding has gone so wrong,  
So many pastors hopelessly astray,  
The weak so often preyed on by the strong,  
So many bruised and broken on the way,  
The very name of shepherd seems besmeared,  
The fold and flock themselves are torn in half,  
The lambs we left to face all we have feared  
Are caught between the wasters and the wolf.

Good Shepherd now your flock has need of you,  
One finds the fold and ninety-nine are lost  
Out in the darkness and the icy dew,  
And no one knows how long this night will last.  
Restore us; call us back to you by name,  
And by your life laid down, redeem our shame.
