Pentecost Sunday

Our Mother-tongue is love (Malcole Guite)

Today we feel the wind beneath our wings
Today the hidden fountain flows and plays
Today the church draws breath at last and
sings

As every flame becomes a Tongue of praise.
This is the feast of fire, air, and water
Poured out and breathed and kindled into
earth.

The earth herself awakens to her maker
And is translated out of death to birth.
The right words come today in their right or-
der

And every word spells freedom and release
Today the gospel crosses every border
All tongues are loosened by the Prince of
Peace

Today the lost are found in His translation.

Whose mother tongue is Love in every nation.
