TWENTY-SIXTH SUNDAY IN ORDINARY TIME

THE VOICES OF THE EARTH

BY Archibald Lampman* (1861-1899)

We have not heard the music of the spheres,
The song of star to star, but there are sounds
More deep than human joy and human tears,
That Nature uses in her common rounds;
The fall of streams, the cry of winds that strain
The oak, the roaring of the sea's surge, might
Of thunder breaking afar off, or rain
That falls by minutes in the summer night.

These are the voices of earth's secret soul,
Uttering the mystery from which she came.
To him who hears them grief beyond control,
Or joy inscrutable without a name,
Wakes in his heart thoughts bedded there, im-
pearled,
Before the birth and making of the world.

Loop System for the hard of hearing.

There is a new loop system in the Church for those who use a hearing aid. Please switch your hearing aid to the loop setting.

**We would like to send our deepest condolences to the family and friends of Freddie Kellett whose funeral took place last Saturday
May he rest in peace.**
