Parish Financial Report 2022

The Parish finances remain stable but fragile with the Parish lottery being the biggest source of income at €24,683 followed by family envelopes €9,883 and the shrines €9,637. There are also some donations from outside of the parish, e.g. the Missionaries of the Sacred Heart.

The biggest expenditure for the Parish is for the upkeep of the church (heat & light, insurance, repairs and maintenance, altar supplies) and comes to €27,511

While at the present time there is approximately €9,000 in the parish bank account we will need to find funding for a fire alarm for the church which could cost about €20,000.

Thanks to everyone who supports the parish. If anyone would be prepared to take a box of family envelopes or buy a parish lottery ticket it would be appreciated.

Parish Priest
