Feast of the Holy Family

These days families come in all shapes and sizes and all are welcome here. What makes a family holy? The key word is 'love'. In John's Gospel we hear that God is love and whoever lives in love lives in God. Our loving God is around us and within us helping us to be the most loving, caring, kind people we possibly can be. When we are loving of our family members we are living a holy life, we are growing a holy family.

Maybe you could reflect on the love shared in your family? Are there any events or people who come especially to mind?

Maybe you could offer a prayer of thanksgiving?

Maybe you could express the love and gratitude that is in your heart to your loved ones?

There are a lot of people who do not have family around at Christmastime.

Is there someone you could reach out to?

For the New Year is there something you could do to improve family life?

Maybe giving more time to someone.

Maybe making a bit of time for family prayer.

Remember small things can make a big difference.

by **Ursula Fanthorpe (1929-2009)**

This was the moment when Before Turned into After, and the future's Uninvented timekeepers presented arms.

This was the moment when nothing Happened. Only dull peace Sprawled boringly over the earth.

This was the moment when even energetic Romans Could find nothing better to do Than counting heads in remote provinces.

And this was the moment When a few farm workers and three Members of an obscure Persian sect Walked haphazard by starlight straight Into the kingdom of heaven.

If anyone would like a holy water font for their house please see Fr. Fintan.

Don't believe everything you think!

It is better to give others a piece of your heart than a piece of your mind.

A heart at peace give life to the body.

(Amish proverbs)
