Why worry about the loaves and fishes? If you say the right words, the wine expands.

If you say them with love and the felt ferocity of that love and the felt necessity of that love, the fish explode into many. Imagine him, speaking, and don't worry about what is reality, or what is plain, or what is mysterious. If you were there, it was all those things. If you can imagine it, it is all those things. Eat, drink, be happy. Accept the miracle. Accept, too, each spoken word spoken with love.
