## THE PEACE OF WILD THINGS

By Wendell Berry

**When despair for the world grows in me  
and I wake in the night at the least sound  
in fear of what my life and my children's lives  
may be,**

**I go and lie down where the wood drake  
rests in his beauty on the water, and the  
great heron feeds.**

**I come into the peace of wild things  
who do not tax their lives with forethought  
of grief. I come into the presence of still  
water.**

**And I feel above me the day-blind stars  
waiting with their light. For a time  
I rest in the grace of the world, and am free.**
