WIDENING CIRCLES

by Rainer Maria Rilke (1875-1926)

Translated by Robert Bly

I live my life in widening circles
that reach out across the world.
I may not complete this last one
but I give myself to it.

I circle around God, around the primordial tower.
I've been circling for thousands of years
and I still don't know: am I a falcon,
a storm, or a great song?
