### ASCENSION DAY

By Malcolm Guite

**We saw his light break through the cloud of  
glory  
Whilst we were rooted still in time and  
place  
As earth became a part of Heaven's story  
And heaven opened to his human face.  
We saw him go and yet we were not parted  
He took us with him to the heart of things  
The heart that broke for all the broken-  
hearted  
Is whole and Heaven-centred now, a  
sings,  
Sings in the strength that rises out of  
weakness,  
Sings through the clouds that veil him from  
our sight,  
Whilst we our selves become his clouds of  
witness  
And sing the waning darkness into light,  
His light in us, and ours in him concealed,  
Which all creation waits to see revealed .**

### Thoughts Of The Day

"Kindness can become its own motive.  
We are made kind by being kind."

Together we can change the world, just  
one random act of kindness at a time.

"Try to be a rainbow in someone's  
cloud."
